HempHQ

Your Industrial Hemp HeadQuarters

A B2B home for industrial hemp advertising,
supplier discovery and business connections.

Built for the industrial supply chain

HempHQ is being developed for growers, processors, manufacturers, commercial buyers and service businesses. Its regulatory and research resources support informed industry participation. These are intended audience groups, not measured demographics.

A founding-stage opportunity

Target: advertising-ready by December 31, 2026. Rates, scheduling and availability remain provisional. Placements require owner approval and written terms before launch. No purchase, payment or inventory reservation is available through the website.

Proposed inventory

Placement	Format
Featured directory listing	A labeled sponsored business card with website link.
Category sponsorship	A labeled card on one agreed marketplace category.
Homepage placement	A labeled placement in the homepage content below the hero.
Custom sponsorship	A defined package with agreed scope and disclosures.

Audience metrics: not yet established

Verified traffic, unique visitors, geography, impressions, clicks and leads are not currently provided. No reach, ranking, sales or ROI guarantees are offered.

CAMPAIGN PREPARATION

Make a useful introduction.

What to send

Business display name and website destination; a suggested headline up to 80 characters; a description up to 240 characters; the industrial products, services and audience served; proposed dates and placement; and permission to use supplied creative. Initial cards are text based. Any future image specifications will be agreed individually.

Review before publication

HempHQ reviews industrial relevance, copy and destination links. Paid placements are visibly labeled Sponsored and use sponsored link attributes. Sponsorship does not establish supplier certification or influence regulatory conclusions. CBD, cannabinoid and recreational cannabis promotions are excluded.

Agree the terms

Before a campaign starts, agree the price, placement, schedule, creative, cancellation terms and reporting in writing. No contract or payment obligation is created by an inquiry.

Reporting that can be checked

Before launch, agree measurement tools, definitions for impressions and clicks, bot and internal-traffic exclusions, and reporting frequency. Tracking is not represented as operational until installed and verified. Lead volume and sales are not guaranteed.

Start a conversation

Introduce your business and campaign goals through the advertising inquiry page: www.hemphq.com/advertising-inquiry.php

Advertising intake opens after launch approval. During preview, forms validate synthetic entries without saving an inquiry or sending email. Do not submit payment data, confidential pricing or sensitive documents.

Program details are subject to owner review. This kit is a planning document for the founding advertising program, not a measured audience report.
